LOTS

Property sizes vary between 4.1 to 8.8 acres with 128 to 518 ft. of waterfront (lake / river).

All lots are beautiful and spacious with plenty of privacy. It is easy to place your secluded cottage on a beautiful spot overlooking the water.

The land slopes a few meters down to the shoreline or river, providing an elevated and spectacular building spot with easy access to the water.

This area is well known for its spectacular autumn colors among climbing hills on the west side.

These lakefront properties are situated at the very end of picturesque Lochiel Lake and along a branch of the St. Mary's River, well known for salmon fishing.

Kayaking or canoeing all the way from Lochiel Lake properties directly to the Atlantic Ocean is a fun day trip. Boating and fishing can also be done off your own dock on Lochiel Lake and with a length of about 5 km, the lake is also perfect for waterskiing, wakeboarding, seadooing etc.

This is a rare opportunity to purchase a lakefront property along unique Lochiel Lake and we expect these properties to sell quickly.
